Honorable Judge Limon

I am writing on behalf of my husband Robert MURRY case number 21CV0718, Robert is currently at Kirby Forensic, he is having a hard time with staff, they are injecting him against his will and they are completely ignoring his religious beliefs. He has a medical condition that is private and the staff there has revealed his condition.

I have seen firsthand the conditions of his legs and they are refusing him to go to an outside hospital, I have contacted the justice center because of all that's going on the complaint number is 101-240 369 525 49. Upon arrival to Kirby he had slashes on his lower arm from the officers slamming his arm in a dot, we just wanted you to be aware of all that's going on and thank you for your time. If you need to confirm anything with me my number is 446 319 8016.

Thank you

Cynthia Truitt
